Graduate School

GRSC6038 HKU Transferable Research Skills Course, Semester 2, 2016-17 (March 8-11, 2017)

The Graduate School is offering a residential course GRSC6038 HKU Transferable Research Skills Course during the Reading Week of Semester 2. The course is based on the award winning transferable skills programme regularly run at Imperial College London.

Aims

The objective of the course is to enhance both the personal and research effectiveness of RPg students. The course offers a wonderful opportunity to the students to develop the awareness and skills which are significantly relevant to their study, career and whole person development. Students will meet people from different disciplines and cultural backgrounds in the course. Details of the course are as follows:

Course Details

Date and Time: March 8 (4:30 pm) - March 11 (5:00 pm), 2017
Students will be residing at HKUKC throughout the course.

Accommodation: The University of Hong Kong - Kadoorie Centre (HKUKC)
Lam Kam Road, Shek Kong, Yuen Long, New Territories

Course Fee: HK$1,500. The Graduate School and the Faculty will each contribute HK$650 and the student should pay the rest of HK$200. Course fee will be collected upon successful admission.

Curriculum: This is an experiential learning course. An interactive teaching mode is used. Students will be divided into small teams to perform a series of challenging group tasks. Topics covered in the course include but not limited to planning and management of RPg study, creativity, communication skills, group dynamics, collaborative research and developing self-awareness.

No. of Places: 28 students

Application Details

Application Procedures: Application form is available on the Graduate School website (Downloadable Forms > Current Students > Courses & Workshops > Application for GRSC6038 HKU Transferable Research Skills Course). Completed application form together with a curriculum vitae should be submitted to the Graduate School Office, Room P403, Graduate House.

Application Deadline: January 27, 2017

Application Result: Applicants will be notified of the result in February, 2017.

Remark: Students may take GRSC6038 to fulfil the compulsory transferable skills course requirement.
