**Subject: The 185th Congregation on November 29, 2011 for the Class of 2011**

---

**Message from the Communications & Public Affairs Office**

**To the Class of 2011, colleagues and students,**

The University's Congregation is one of the most important events in the HKU calendar. It is the annual grand ceremony held by the University to officially confer respective degrees on students who are eligible for graduation.

For members of the Class of 2011, especially for those of you who may be preparing to work or continue your studies abroad, we understand the importance of being able to make plans for graduation-related activities, for yourself and loved ones, as early as possible.

So we wish to draw your attention to the arrangements for the upcoming 185th Congregation for the Class of 2011 which will be held at the AsiaWorld-Expo, Lantau on Tuesday, November 29, 2011, at 2:30pm.

You will receive notification from your respective Faculties in due course confirming your graduation this year.

Please visit [www3.hku.hk/congreg/](http://www3.hku.hk/congreg/) for details of arrangement. Specific information about the Congregation – including ticketing for graduands and their guests, loan of academic dress, transportation, collection of certificate etc will be posted from time to time. Online registration will commence in early October. Please remember to visit that website regularly for new announcements.

**Important:** Please note that all graduating students' HKUSUA email accounts will be automatically transferred to a Graduate account in July/August. Notices regarding the Congregation arrangements will only be sent to their @graduate email accounts after that period and the first notice will be sent in early October.

Should you have any questions on the Congregation, please feel free to contact the Communications & Public Affairs Office by email at [congmail@hkucc.hku.hk](mailto:congmail@hkucc.hku.hk).
