

Email sent to UG exchange students and non-local UG students

Laboratory Open House 2011/12 (2nd semester)

Dear UG exchange students and non-local UG students,

I hope that you are enjoying your stay at HKU. Do now consider pursuing at HKU, PhD or MPhil programmes fundable by Postgraduate Studentships (PGS). Please note that the deadline for applications in the 1st Clearing Round is **30 April, 2012**. More information is provided at http://www.gradsch.hku.hk/gradsch/web/apply/index_ps.htm

To provide you an opportunity to learn about MPhil/PhD research in laboratory-based subjects, the Graduate School together with the Office of International Student Exchange launched “Laboratory Open House 2011/2012” last November. In this Semester 2, you will also be provided an opportunity to meet HKU **P**rincipal **I**nvestigators (potential RPg supervisors) and visit their labs to initiate discussions on MPhil/PhD studies.

Please click here for information on research areas of PIs and their email addresses. If you are interested, please do send an email to the PI (with your name, Faculty/Department, year and current study programme at HKU) to arrange for a visit.

Wishing you success in your studies and a rewarding stay at HKU!

Best wishes,

Professor M.L. Chye
Wilson and Amelia Wong Professor in Plant Biotechnology,
