Application for Change of Graduate School Course Enrollment – Semester 2, 2017-18

(To be used after January 17, 2018 and submitted to the Graduate School Office)

Notes:
1. This form is applicable for students who have not been able to complete course enrollment via the on-line system. The Graduate School will only process this application after the on-line add-drop period, i.e. after January 17, 2018.

2. As classes are normally full after the on-line add-drop period, there is NO guarantee that applicants will get enrolled in the course(s) as requested in the application form.

3. When applicants drop courses using this form, their places will immediately be released to students who are waiting.

4. Adding and dropping of courses are two separate procedures. When applicants drop a course, it does not necessarily mean that they will be able to add a course back.

5. Applicants should submit this form to the Supervisor(s) and Chairperson of the Departmental Research Postgraduate Committee (DRPC) to seek their approval for the change of course(s). Approval though is not required for change of subclass of the same course.

6. The duly signed application form should be sent to the Graduate School no later than two weeks after the commencement of the course(s); or if the course lasts only four weeks, the application form should be submitted within the first week of the course.

7. The Graduate School will inform applicants of the application result in writing within one week after receiving the application form. Course enrollment will be updated accordingly in the HKU Portal within two weeks after the Graduate School’s approval. Applicants should check their records on the portal.

8. Applicants should contact the Graduate School Office if they do not receive the letter informing their application result before the start of the course(s).
